ThugLifeArmy.com in conjunction with our affiliate partner CRNLive.com are giving away 3 pairs of concert tickets and 1 pair of back stage passes to meet and greet the Los Lonely Boys August 25<sup>th</sup>, 2006 in Murphy's California.

Along with the Los Lonely Boys the Doobie-Brothers will also be appearing.

The Los Lonely Boys are the three Garza brothers: Henry on guitar, Jojo on bass, and Ringo on drums. This remarkable trio of brothers has been making music together since they were small children and now has a decade of professional experience under their belts as well. Los Lonely Boys write, sing, and play music drawn from diverse sources, blending their influences into a seamless style.

Weaned on Tex-Mex, country, blues, and rock pioneers like Richie Valens, Chuck Berry and Fats Domino, and such pop music giants as The Beatles, Los Lonely Boys enhance those solid basics with red-hot guitar playing, percolating rock and Latin rhythms, and dynamic interplay and wonderful vocal harmonies; all three brothers also sing and produce music that is from the heart.

Their single "Heaven" reached #16 on the Billboard Hot 100. The group also won the Grammy Award for Best Pop Performance by a Duo or Group with Vocal in 2005.

New music from the Los Lonely Boys, is being shipped to radio this week. The first single "Diamonds", off their upcoming album 'Orale' will soon be hitting the air ways.

The release date for the Los Lonely Boys new album, "Orale" is set for July 18<sup>th</sup>.

You can hear the track "Diamonds" now by visiting The Los Lonely Boys on MySpace at <http://www.myspace.com/loslonelyboys>
