Sonorous Entertainment Inc. is calling on all singers, songwriters, and groups of all genres with a vision to shape the future through Gospel Music to partake in the company's interactive "Touched by Grace Talent Search."

The recently redesigned website <http://sonorousentertainment.com> allows musicians to upload their music demos in a MP3 format. The music demos will then be displayed with a brief message from the artist where their supporters, be it their church affiliation or friends, can use a direct link to vote on the music and artist(s) of their liking.

With our unprecedented HOB catalog of iconic gospel artists, Sonorous is uniquely positioned with our strategic partnership, Universal Music Group, the world's largest music distributor that enables us to penetrate the global music industry in an unparalleled manner. We now open doors to bright new talents who will undoubtedly play a role in shaping the future of gospel music helping us fulfill our mission: to spread the good news through music.

Depending on your submission, your entry will be posted either on our Soundcloud or YouTube accounts for visitors to vote. If your audio or video is chosen, you will be given a link to it to share with your friends and family so that they can support your dream.

The "Touched by Grace Talent Search" officially kicks off February 1, 2012. All genres of Gospel music are welcome. The winning artist will receive a recording contract with Sonorous Entertainment.
