Pittsburgh Hip Hop is Fire - (Yinz Play Hip Hop-n-That) by Davey D

DJ Paradise the Arkitech from the legendary group X-Clan has teamed up with Breakdown FM to do a weekly radio show that highlights local Hip Hop from around the country. This week Paradise takes us on a musical journey through the iron curtain of "Tha Burgh" (Pittsburgh) which is where he currently calls home.

Here's what dice has to say about his show...

This is One Hour of the Hottest Hip-Hop From Pittsburgh, PA.

One of the best kept industry secrets is that Pittsburgh has some of the best Hip-hop producers, just ask Dr. Dre about Sam Sneed, Butta and Mel Man just to name a few. You'll find that many of your favorite West Coast Hip-hop Classics has a Pittsburgh, Pa. Foundation.

Today, Pittsburgh has a promising Hip-hop scene developing with many talented young newcomers and a host of lyrically gifted contributors.
