www.TLARadio.com a new and ground breaking hip hop and rap internet radio station that went 'Live" on Sept. 1st 2006 is being widely accepted by the hip hop community.

The new and ground breaking hip hop and rap internet radio station that went 'Live" on Sept. 1st 2006 is being widely accepted by the hip hop community.

On Sept. 1st CRNLive.com activated their sister station TLA Radio.com which stands for Thug Life Army Radio and this station is becoming THE hip hop internet station around the world bringing you the best selections that hip hop and rap have to offer. Response has been enormous.

This is an 18 and over feed, ensuring that the music will be broadcast in its original form, uncut and raw. Real hip hop the way it is suppose to be is played and sought after for air play. From 'Classic" hip hop and rap tracks to some of the finest unsigned hip hop artists are showcased on the new Thug Life Army Radio - www.TLARadio.com

Tune in to www.TLARadio.com and see what the talk is about. Through unique programming this station is making people take a look. "If you listen for 10 minutes, you will be an avid listener, if you like 'real' hip hop and rap" says CRNLive.com CEO Frank Miranda; who is hosting the feed for their newly unleashed sister station.

If you are a hip hop or rap artist looking to get your tracks played, email us at Music@TLARadio.com; also all comments and feedback are welcome.
