Hip-hop's sexy Miami born, 5'3" female rap artist known as Trina, (Katrina Taylor), has a new DVD which is called 'Trina Live and Uncut', and shows us Trina is finally ready to give the world a peak into what it's like to be the one and only diamond princess.

The DVD, being released by 845 Entertainment and distributed by SMC Recordings/ Fontana Universal, has a street release date of April 18th and features a live show where the hip-hop beauty performs some of her biggest hits like "Here We Go" and "Baddest Bitch."

Fans of the newly crowned hip-hop princess will delight in the up close and personal look at the star as she tours the country. Also included on the DVD is a one hour behind the scenes documentary titled Sex, Money, and Jewels, featuring da baddest bitch in action - recording at the studio, shooting videos and even giving lap dances on stage.

Speaking on Trina, Jarred Weisfeld, Co-CEO of 845 Entertainment says "Doing a Trina DVD was a no brainer everyone knows that Trina is both a sexy and dynamic figure in the Hip Hop world. Guys want to date her and girls want to be her. She has mass appeal and this is definitely groundbreaking material. Sex sells".

Trina debuted in 1998 on Slip-N-Slide labelmate Trick Daddy's "Nann," and quickly became a household name in hip-hop. GLAMOUREST LIFE differs from her previous offerings, DA BADDEST BITCH (2000) and DIAMOND PRINCESS (2002) in that it showcases a more mature Trina - not just a seductress, but also an artist.

As one of the hardest working women in show business, Trina says "I'm a chick in the game who is working, and people respect that. Yes, it has a lot to do with the whole sex appeal, but it's a mixture of that image and me as a person. It's my whole strong attitude."

With Trina the excitement never ends and the Live And Uncut DVD is no exception. Trina is hotter than ever - let her show you how to live the life.
