Mississippi is preparing to honor hip hop heavyweights David Banner and Kamikaze with the "Best of the Best" Awards

The Mississippi hip hop heavyweights will be honored at the MS" Best Awards on Saturday, October 28, 2006.

"This history-making event will celebrate the best of the state in over 40 categories," says Jackie Watson-Loggins, Asst. Communications Director. Though the public will decide most of the winners, the Planning Committee will be presenting five awards, of which one is the "Best of the Best Award."

"It made sense that both Banner and Kamikaze get this one," Loggins continued. "They have contributed so much to the music scene collectively as Crooked Lettaz and then experienced success as solo hip hop performers. Not only that, they have made it their aim to give back to the community as well as reach out to others during the Katrina disaster."

Details about the event can be found at www.free2flow.com
