Source Founder David Mays Has New Hip Hop Publication

The founders and ex-owners of the 'Bible of Hip Hop' have united again for a new publication. Ex-Source founders and owners David Mays and Ray 'Benzino' Scott will introduce their new hip hop magazine on October 16th when it is expected to hit news stands.

The new weekly hip hop publication called 'Hip Hop Weekly' promises to cover every aspect of hip hop from celebrity news to music and fashion.

Hip hop entrepreneur David Mays says "the weekly will answer the need for a title to keep up with the fast pace of change in hip hop culture".

Dave Mays and his partner hip hop rap artist Benzino built a quality product with the Source, and also caused a lot of controversy in hip hop culture, so this new venture should be interesting to check out.
