About Lyricist Lounge:

Founded in 1991 by Hip Hop aficionados Danny Castro and Anthony Marshall, the Lyricist Lounge concept was birthed as a series of open mic events hosted in a small studio apartment in the Lower East Side section of New York City. Since then, Lyricist Lounge has matured into an internationally recognized and respected brand name and company. With the faith of a wealth of sponsors and supporters, Lyricist Lounge continues to retain its relevancy in Hip Hop.

In addition to a multitude of New York City-based showcases, Lyricist Lounge has facilitated three (3) full-length album releases, seven (7) domestic tours, two (2) seasons of the MTV sketch comedy series "The Lyricist Lounge Show" and two (2) DVD releases: "Lyricist Lounge presents Best of Hip Hop Videos" and "Dirty States of America".
