UK "urban" producers, "Konkrete Productions" have just had two tracks included on the new Street Politiks mixtape, "Trading War Stories".

's.P's" previous mixtape, 'south Queen's, Jamaica to South London" feat. "Grath", has already been seen sales shoot through the roof both in London and Stateside.

"Konkrete", are currently writing and producing tracks for the likes of Detroit's hottest new talent, 'stock" as well as the UK's finest rappers including "Bunzi D", "Hyper" and "Big Seac".

UK MOBO winners, Street Politiks already "ruling" the London scene are set to blow stateside with tracks that feature South Queen's finest, "Grath".

The video for 'say Yeah", which features Street Politiks" "M-Triple" and "Grath" is receiving regular rotation on MTV Base and Channel U.

With producers like "Konkrete" and artist's like 'street Politiks" and "Bunzi D" the UK is finally set to "cross the pond" and take UK Hip Hop international.
