It is our policy to respond to notices of alleged infringement that comply with the Digital Millennium Copyright Act ("DMCA") and other applicable intellectual property laws. Responses may include blocking access to posted material claimed to be the subject of infringing activity and/or terminating such author's ability to post articles on thuglifearmy website. If we take such measures, we will make a good-faith attempt to contact the author who posted the content so that he or she may make a counter notification pursuant to sections 512(g)(2) and (3) of the DMCA. It is our policy to document all notices of alleged infringement on which we act. As with all legal notices, a copy of the notice may be sent to one or more third parties who may make it available to the public.
