TLA Promotions Press Release 2006-5-8 / How could one describe Hip Hop MC Tommy Danger, The Now & Laterman?

Harlem's born Hip Hop MC with a strong character and Now & Later flavor CD's to represent his unique entertaining presence. You describe him as an MC of different flavors and styles. Pineapple Flavor Volume 8 is one of the hottest Now & Laterman series to date.

Hip Hop MC Tommy Danger master's hot lyrics with an east coast swagger only a true hip hop connoisseur can do. Let's not take away from the classic banging sounds and special appearances from the next ones to follow, the crew of Tommy Danger Music Group.

Fans wonder where hip hop has gone; well look no further as Hip Hop MC Tommy Danger takes us back "to more than rap, with a style at that". With a market now dominated by the southern sounds Tommy Danger brings it back for the North with story telling and braggadocios lines without gunplay.

Hip Hop MC Tommy Danger is not a newcomer, he's a self-made Superstar as he drops flavor after flavor. He's consistently released the Now & Laterman series Volumes 1 through 8 leaving fans wanting more. His Latest release Mystery Flavor reached an overwhelming amount of video plays and downloads to the hit "Now & later with me" and the hood favorite "Gang Bang" which features in "The Greatest of The Great". Fans all over are singing and grooving along to the smooth sounds in "Good Times" on "Cherry Flavor Volume 6" featuring Charlie Brown. The demand was so crazy we had to deliver a video making it one of the highest downloads thus far. Then it get's ugly in the "Mizchif freestyle" video.

Harlem is the place to showcase the hottest styles and trend setting.

With no one holding it down, Hip Hop MC Tommy Danger has come to set his mark.

Listen out for Gee Que, who has one of the longest running Public Access Hip Hop shows
