They removed my whisper from General Population to Maximum

Security

I gained a voice

They removed my voice from Maximum Security to Administrative

Segregation

My voice gave hope

They removed my voice from Administrative Segregation to

Solitary Confinement

My voice became vibration for unity

They removed my voice from Solitary Confinement to the

Supermax of Camp J

Now they wish to destroy me

The louder my voice, the deeper they bury me.

I SAID - THE LOUDER MY VOICE - THE DEEPER THEY BURY ME!!
