Every year, the so-called "BLACK FRIDAY," NOVEMBER 26th kicks off the Holiday Buying Season. Black folks, Black consumers, people of African descent are projected to spend more than \$1.7 BILLION ON THAT SINGLE DAY and over \$50 BILLION between November 26 and December 31st. THE SAD FACT is that 95% of these BLACK DOLLARS will be spent with NON-BLACK Businesses. This money is totally leaving OUR COMMUNITY. It's time to make a change. It's time for "FREEDOM FRIDAY." The MATAH Network (www.MATAH.com) has introduced a new and exciting plan to tap into the \$680 billion of Black Consumer spending TODAY and re-direct more of these dollars to our own businesses, organizations, and churches. We call it "INTERNAL REPARATIONS" - this is what we can do for ourselves. If you know there has got to be a better way - then this is for you.

co-founder, Ken Bridges. Remember, Ken was assassinated Friday, 10.11.02 during the Wash., D.C. area sniper attacks.

Traditionally, Friday is the day that most Black people look forward to (i.e., T.G.I.F, 'living for the weekend', etc.). Going forward, when conscious people greet each other let's acknowledge Bro. Ken and all our ancestors by saying, it's "Freedom Friday" instead of T.G.I.F.!

Next, we take action! It's a wonderful opportunity to "give and buy Black" buying MATAH products and to patronize Black businesses. Let's make sure we put some money in a Black hand today, everyday!

FREEDOM FRIDAY - November 26, 2004
