Veteran crooner Brian McKnight returns to the music scene today (March 19) with his new release “More Than Words.” Its loving, guitar-plucking lead single “Sweeter” is just a taste of what the LP has to offer. His fifteenth album also features a collab with singer-songwriter Colbie Caillat on the title track.

And on the effort’s latest single “4th of July,” which Billboard is premiering its video exclusively, he sings to his lady about how–though they’ve been together for a while–the fireworks are still crackling.

“You’re still the flame that’s burning deep in my soul,” he belts to her in the intimate clip. Watch it and let us know your thoughts in the comments section below.
